

PATIENT SERVICES

We offer Personal Medical Services in this practice.

PRACTICE NURSING & HCA

The Practice nurses are available for blood pressure checks, dressings, blood tests, cervical smears, immunisations, stitch removal. They will also give advice on giving up smoking, diet, exercise etc.

MATERNITY SERVICES

Both ante-natal and post-natal care is provided.

CONTRACEPTION

Contraception advice and services including emergency contraception are available from your doctor. We do not fit coils but these can be fitted at local Community Family Planning Clinics (list available at reception). All contraceptive advice is confidential for all our patients – including teenagers

WELL WOMAN CHECKS & CERVICAL SMEARS

Available only by appointment with the Practice Nurse.

ASTHMA & DIABETIC CLINICS

The Practice Nurse runs these clinics by appointment.

MINOR SURGERY

The practice offers minor surgery including mole and skin tag removal and joint injections. Please see Dr Patel if you require this service.

HOSPITALS

When necessary, we use the services at King's College Hospital, St Thomas' Hospital, and Guys Hospital.

TRAVEL CLINIC

We provide travel clinics. Some vaccinations are free of charge and some will be charged for (see list at reception). Please book an appointment at least 6 weeks before you travel.

FEES FOR PRIVATE WORK

A detailed list is available on request from reception and on our website.

CHILD HEALTH SURVEILLANCE

The practice provides baby clinics and childhood immunisations in conjunction with our health visitor and community child health clinics. Please ask for details about baby clinics at reception.

SURGERY OPENING TIMES

We are open Mon-Fri from 7am-6:30pm.

BOOKING APPOINTMENTS

We operate an appointment system for all surgeries.

GP appointments last for 10 minutes and are for ONE problem only. Nurse appointments are for 15 minutes unless otherwise specified. Appointments may be made in person, online* (subject to registering for this service) or by telephone. When you registered; if you supplied a mobile telephone number we will send a text message to your mobile telephone the day before your appointment to remind you to attend. If you are unable to attend please cancel your appointment, this can be done on the phone, online* (subject to registering for this service) or by replying to your text reminder with the word CANCEL. We have many 'no shows' and this may make the average wait for an appointment longer than usual, in February 2018 we had 111 no shows.

*Online services have to be applied for and can be done so at the point of registration or afterwards. Proof of identity will be requested for this service.

GP ACCESS HUBS

Our GP Access Hubs offer appointments seven days a week at the following times:

12noon–8pm Monday to Friday

8am–8pm weekends and bank holidays

To book an appointment, speak to our receptionists.

EMERGENCY CONSULTATIONS

If you are very unwell and need to be seen before an appointment is available, please call reception and leave message. The duty doctor will call you back and advise you appropriately. These appointments are NOT for long-term or non-urgent problems, certificates or form signing.

EMERGENCY CONTRACEPTION

This is available to all women, including teenagers, by request – please ask for an EMERGENCY APPOINTMENT. Emergency contraception should be taken within 72 hours of unprotected intercourse.

MEDICAL RECORD VIEWING

You can now view your medical records online including test results, you can register for this service at the point of registration or afterwards.*

*Proof of identity will be requested for this service.

HOME VISITS

These should only be requested by those patients too ill to travel to the surgery. Please phone before 11.00am. (The earlier you phone the easier it is to arrange services) The doctor can see 4-5 patients at the surgery in the time it takes to see a patient at home.

NEW PATIENTS

All patients aged between 16-74 who have not seen a GP for 3 years may make an appointment at which appropriate enquiries and investigations will be made. The practice recognises the right of patient choice. Every effort will be made to give the patient an appointment with the doctor or nurse of your choice, but as a result the waiting time may be longer. Our practice catchment area covers SW9 & SE5, check our website to see if we cover area at www.vassallmedicalcentre.co.uk/new-patients.aspx?t=3

TEST RESULTS

Please telephone between 12.00 and 14.00 for test results. Blood tests usually take about 5 working days to come back. X-ray results usually take a minimum of 14 working days to be sent to us. Please be aware that receptionists are not clinically trained and can only advise you on whether the result is normal or if you are required to see a GP. These are viewable on-line*
*(Subject to registering for this service)

TELEPHONE ADVICE

If you wish to speak to a doctor for advice please telephone before 11:00 in the morning or 16:00 in the evening. The doctor may not be able to speak to you immediately as they may be with a patient, but if you leave a telephone number the doctor will call you back as soon as they can.

REPEAT PRESCRIPTIONS

You can request a repeat prescription in several ways. By post including a SAE (right hand side of prescription will only be accepted for requests), by fax (right hand side of prescription will only be accepted for requests), Online (subject to registering for this service), by handing in the right hand side of your old prescription and ticking which medications you require. We require at least 48 hours notice to have your prescription ready and only order what you need. We are unable to accept telephone requests except from housebound patients.

DISABLED ACCESS

The health centre has full and easy disabled access and purpose built toilet facilities. We also have two disabled parking bays in front of the surgery.

CHANGES TO YOUR DETAILS

Please inform us if you change your personal details, address or telephone number.

INTERPRETING SERVICE

Available by appointment only. Please speak to reception in advance if you require this service.

CONFIDENTIALITY

All information you give the doctors or staff at the practice is treated with strict confidentiality. We will not give out information about you to anyone – except with your express permission.
